#### Under 16 Competition

(b) That players selected in such team be presented with an Australian Blazer pocket designed with the map of Australia outlined in gold with the words "Australian Under 16 Baseball Team" shown therein, and subject to the condition that no player be eligible to be presented with more than one pocket from this Series.

(c) That New South Wales Union prepare a draft Constitution for presentation and ratification by the A.B.C.

#### Reprint of Rules

It was decided to print 6000 Rule Books to include the latest amendments to the Rules.

#### Travel Pool

Agreement was reached on a method of financing the "pool" whereby each State contributed an equal share of the total fares required to be met each year, and to be reimbursed to the extent of fares required to be met in the same year.

AUSTRALIAN BASEBALL CHAMPIONSHIPS

The 1963 Championships were held in Perth, and the West Australian League is congratulated on the successful staging of the games. The Series extended from October 12 to 21, with all games played at the Perth Oval, and was officially opened by the American Consul, Mr. Thomas Mayfield.

Due to the tight baseball programme, the Social activities were restricted to the Championship Ball, but I am sure that all who were fortunate enough to be in Perth during the complete Series will always have fond memories of their visit.

Commencing with the personnel of teams, the full details follow-

BASEBALL UMPIRES COUNCIL OF AUSTRALIA

The Baseball Umpires held their Annual Conference for 1962 in Perth on October 11.

Office Bearers elected were— D. Andrews (W.A.)— President and C. Davies of N.S.W. as Secretary.

It is pleasing to note that the Umpires Association is actively assisting in promoting baseball in Australia.

OVERSEAS VISITOR:

During the staging of the 1962 Series, Mr. Phil Seghi from the Cincinnati Reds of America, witnessed all games played, and from reports received was favourably impressed with the standard of play, and the visit could be the means of furthering the interest of the American administrators of baseball in the game in Australia. More visits of such people will be most welcome.

OBITUARIES

Unfortunately no report ever appears possible without the need to record the passing of people connected with the game of baseball in one way or another, Among those given to me are—

Harold (Mum) Turner of New South Wales — a life member of the Union. Perc. Dooland of South Australia— a keen supporter of the game for many years. Mr. & Mrs. Moody— parents of Bill Moody— S.A. Secretary.

To relatives of the above and to all others not listed who lost loved ones during the year go the sympathies of all baseballers.

APPRECIATION

I would like to place on record the appreciation of the Council for the work done for baseball in Australia by two gentlemen who retired from active service this year.

JACK ELLIS For almost 50 years, a keen lover of baseball firstly as a player and then for many years as an administrator of the game in Victoria. At various times Jack held nearly all offices, completing his service as President of the Victorian Baseball Association.

On the Australia wide scene, Jack served as a selector of many Australian teams, and as Secretary of the Australian Baseball Council, during which time he earned the friendship of many people in all States of the Commonwealth.

At present enjoying a trip to England and Europe, I am sure that his many friends will join me in wishing him a safe return and many years of continued good health in the future.

RON SCOTT For so many years the Secretary of the South Australian League, and a tireless worker for baseball, Ron has now retired from the game. No person without a sincere love of baseball can put so many hours into the game in an honorary capacity, and we must be thankful for such persons as Ron Scott in keeping our game going. Ron also was a stalwart on the Australian front, and was Secretary of the Australian Baseball Council for a number of years, during which time he was awarded a Life Membership. Thank you Ron, on behalf of all for a good job well done.

CONCLUSION

In concluding this report, may I firstly express my appreciation to member States on my election as Secretary of the Australian Baseball Council. After a long period as a player in Interstate matches, and later as Manager of many Victorian teams, it is a pleasure for me to be able to serve baseball in yet another capacity.

The 1962-1963 season saw further progress in all States, which progress was sound if not spectacular, and I do suggest that we all work for the further development of the game towards putting it on an International basis, for only in this way will we advance to the extent that we all ultimately would desire.
